White Room Darkening

Solar Room Darkening Shades

- Double-pleated shades with an aluminum coating increase the skylight's overall energy efficiency
- Double-pleated fabric blocks daylight, allowing only a minimal amount of light to pass around the edge of the fabric
- **Available in standard sizes**

White Light Filtering

Solar Light Filtering Shades

- Single-pleated shades filter and soften incoming light
- Filtered daylight often projects the color of the shade throughout the room
- **Available in standard sizes**
